Copy of letter from the President,Taluk Board, Coondapur, R.O.C.No.809/C.T.B.of 31, dated 28th October 1931:-

Adverting to para 3 of G.O.No. 1870 I.Ms., dated the 24th July 31, I have the honour to state that it is not known under what circumstances the Kattabelthur ferry was left under private management, So far as I understand, there is no record to prove that the authorities of the Manikolalu temple in Hakladi village have any right over the ferry. It seems irregular to allow private persons to exercise control over ferries in a Local area when there is the Taluk Board whic the competent authority to exercise such control.

2. I request therefore that the Government may be pleased to extend the provisions of the Canals and Public Ferries Act 1890 to the Kattabelthur ferry and to assign the management of the ferry to the Taluk Board at as early a date as possible.

Endorsement thereonmof the Collector of South Kanara, No.N. Dis. 10659-31-B4 dated the 10th November 31:-

Submitted to the Secretary to the Board,Land Revenue and Settlement,Madras.

2. Please see in this connection my letter D Dis.2778-31 dated 1st June 31.

To I.A

Please see the letter from the President, Taluk Board, Coondapur, addressed to Govt. and the Endt. thereon by the Collr. of S.Kanara at pages 1-2 c.f.

2. Kattabelthur was one of the seven private ferries in the Coondapur taluk to which the Collr. of S.Kanara recommended the extension of the provisions of the Canals and Public Ferries Act. Kattabelthur was, however, not declared a public ferry as the Collr. subsequently reported that a sum of Rs. 50 from its income was being spent annually for the performance of certain religious ceremonies in the Manikol temple in Hakladi village and that its conversion into a public ferry would affect the rights of private parties. The President of the Taluk Board contends that there are no records to prove the rights of the private parties over the ferry. He therefore requests that it may also be declared a public ferry.

Attention is in this connection invited to M-1's remarks at page 3 n.f. of B.P. Mis. 1235 dated 17-4-31 in which he has stressed the importance of respecting the rights of private parties, especially when the income from the ferry is devoted to religious purposes.

p2 cf

The Collr. through the whom the letter has been addressed has not offered any remarks.

p1 cf & Enclosure file

Attention is invited to the petition in the file at (H), alleging the infringement of certain private rights even in respect of a ferry in the same taluk which has already been declared a public ferry in the G.O. at p.28 CF. of (M)

3. In the circumstances it is for orders whether Govt. may be informed that the Board sees no reason to

comply with the request of the President, Taluk Board.

17.11.31

The collector in forwarding the ~~and~~ letter request of the president taluk bd merely refers to his letter dy 1-6-31 in which he has said that in the case of this ferry a sum of Rs 50 is spent from the income annually for the performance of certain religious ceremonies in a temple in Hakkadi. The president says there is no record to prove that the temple has any right over the ferry. Perhaps the coll may be asked to ~~and~~ investigate the matter fully & submit a detailed report.
